Written Shop Safety Class:

All our *new* members **must** complete the **written** Shop Safety Class. In order to take any classes or participate in any of the Woodchuck SIG's, this Shop Safety Class is a requirement.

- 1.** After completing the Application Form and paying your membership dues, you will receive an acknowledgement email. You can then proceed to schedule the test.
- 2.** To schedule the test, contact one of the following: Rod Procter 338-3585, Rick Barbieri 856-1237, Bob Dietrich 851-7521, or Tom Doud 233-5585. The test can be taken at any of the SIG's or the General Meeting, which is the second Thursday of the month.

Toy SIG Meeting

When : *Wednesday, September 5th and 19th,
10 a.m. to 1 p.m. (bring a bag lunch)
Saturday, September 1st, 15th, and 29th
9 a.m. to 12 noon*

Where: *at the clubhouse*

Great News!! As of mid-August we have 1600 toys completed and bagged! What a group - YAY! Jim M. was gone all of August, so we're hoping to stay ahead of him for a change. (Well, maybe catch up a bit on completing most of the toys he's made.) We have a lot of new toys this year, thanks to members with new ideas. And the artwork on them is amazing. I am so proud of this group. My job is a fun one: besides lots of spray painting, inventorying, tec., I (Donnah) get to play with each toy as I check it out before bagging. I will be vacationing some in September, so Toy SIG Leaders will be Bob Dietrich on Sept. 5 and Julia T. on Sept. 29. We're always looking for new talent and ideas. We're happy to teach newcomers all about making toys for the under privileged children in our area.

Contact: Donnah Wenstrom (775) 473-0256 Julia Tachihara (775) 826-0825

Scrollsaw SIG

When: *Won't be back in September.*

Scrollsaw has been on summer break. A return date has not been determined at the moment. Please, keep an eye on the web page and/or the newsletter to know when that will be.

Contact: Keith Bonzer 746-1239

Lathe SIG

When: **Tuesday, September 18th and 25th**
Where: **Clubhouse, 6:30pm**

For our September activities, Boyd Jeffrey will demonstrate and guide the turning of baby rattles. This is a fun project involving spindle turning and hollowing to make a hollow form that rattles. Come learn how to make a gift for a new baby and maybe be inspired to make some other hollow devices.

For "Show and Tell", bring in your latest turning project and show us what you are doing.

Russ Lambert - 359-4554 Dale Pappas - 677-1103 Gary Raines - 323-4074

Carving SIG Meeting

Where: at Paul Volpp's home/garage
When: Wednesdays, 9:00 a.m. till 11:30 a.m.

Our goal is to promote the art of woodcarving through teaching, sharing, and fellowship. We want to be of service to those who carve and who wish to learn to carve.

Beginners to experienced carvers are welcome. Call Paul Volpp for directions.

Contact: Paul Volpp 853-3432 or renowoodcarvers.org

Tools & Techniques & TNT Hand Tools SIG

When: Tools & Techniques — Thursday, September 20th at 6:30pm
 TNT Hand Tools — Thursday, September 27th at 6:30pm
Where: Clubhouse

We've had requests in the past for making a tapering jig and this month we'll discuss options and make one to show just how it works. Useful for table legs, cabinet sides, making shims and more. Bring your ideas and input and we'll see what happens.

We're also going to discuss using the scorp and inshave on chair seats. Our senior stool maker, Gene Choquette, will hopefully join us in this discussion as he is presently in the middle of designing a chair. All members are welcome and we hope to see you there.
